

# Work Profile

## Sample Panels

**A & B** Both panels house pipework and instrumentation for analysing and testing the quality of water after it has passed through the desalination process.

### Dosing Panel Benefits

- + Polypropylene sheet fabricated, offering high chemical resistance.
- + No steel frame, offering a corrosion free, fully supported design.
- + Custom engineered in-house design.
- + Assembled and fitted out to clients requirements.
- + Different arrangement of screens available.
- + Excellent reputation around Australia for quality, delivery and performance.
- + Water Corporation WA approved.
